# WEST POTTS GROVE TOWNSHIP COLLECTION CALENDAR

## Trash Collection

Trash collection will occur one (1) time per week on **Wednesday** in 96 gallon wheeled cart. All waste containers must be placed at the curb no later than 6 a.m. Please leave 4 feet of space between the carts, trees, mailboxes, poles, etc. Trash and recycling are not to be placed out for collection earlier than 6:00 p.m. the evening before scheduled collection date.

## Recycling Collection

Recycling will be collected every week on **Wednesday** in 64 gallon wheeled carts with recycle symbol. Please place all clean recyclables loosely in the 64 gallon cart and place at the curb no later than 6 a.m.

**These Flexible Plastic Items can now be Recycled. Put these items in your recycling carts.** Flexible plastic packaging from these products can now be recycled. Use the below list as a guide and stop throwing away what now can be recycled. All these packaging types can be placed in your recycling carts for recycling.

## What Can be placed out as Recyclables?

- ♻ Paper and Cardboard  
(no books, no contaminated pizza boxes)
- ♻ Wax Cartons: milk, juice, soup, flavored drinks and cartons can be recycled.
- ♻ Aluminum
- ♻ Glass (no window glass, mirrors or light bulbs)
- ♻ Plastics #1- #7 (no toys, styrofoam or ceramics)

## Bulk Item Collection

Bulk items are collected once a month on the last collection day (Wednesday). This includes furniture, mattresses and box springs (**must be wrapped in plastic**) and other large household items. **No tanks, tires, drums, automobile parts, riding mowers, or any item that contains fuel or fluids.**

**NOTE:** Items containing Freon or CFCs must have freon or gas removed and be tagged by a professional removal service before disposal.

## Household Hazardous Wastes are Not Accepted!

Toxic chemicals, pesticides, oil-based paints, weed killers, automotive batteries, fuels, or fluids must be disposed of properly at a Household Hazardous Waste Collection event. Refer to the Montgomery County Recycling website for options.

## E-Waste Alert! Disposal Ban

Solid waste disposal facilities in Pennsylvania are no longer allowed to accept covered devices such as televisions and computer devices including hard drives, monitors, keyboards, mice and printers or their components.

## **Asbestos Disposal**

The first and most important thing to know about handling and disposing of asbestos is that you should not do it yourself. Asbestos is a deadly carcinogen that should only be handled by licensed asbestos abatement professionals.

Specific instructions regarding Asbestos for our area can be found at this resource from [Ambler, PA](#).
