

Help Town Watch Advice

In these times of economic distress, many people are concerned about the threat of rising crime in their communities. Fortunately, there are ways to help protect your home and neighborhood from crime. From simple steps like keeping your doors locked to joining our Neighborhood Watch program, there are plenty of things you can do to prevent crime.

Work with your neighbors to keep your neighborhood clean and orderly. Keep spare keys with a trusted neighbor or nearby shopkeeper, not under a doormat or planter, on a ledge, or in the mailbox.

Set timers on lights when you're away or when your business is closed, so they appear to be occupied. Illuminate or eliminate places an intruder might hide: the spaces between trees or shrubs, stairwells, alleys, hallways, and entryways. With many law enforcement agencies cutting costs, it has never been more important for citizens to work together to prevent crime.
